NOTE RMSA No: 0040/ 10/ 2012

26th October 2012

CIRCULAR TO All Shippers (Importers), Owners (Shipping Lines), Forwarders and all Shipping Agents:

OGEFREM/ Commercial section of DRC embassy in Mombasa-Kenya wishes to remind all our esteemed partners about compliance to DRC regulations as per the Office of the DRC Prime Minister's decree No: 011/18, Volume 1 Reference 5, dated 11th April 2011 and the Mombasa High Court order dated 17th October 2012 with regard to FERI Certificate and Certificate of Destination. The FERI Certificate must be applied from the Loading Ports for all Congolese bound cargo and not at all at the port of discharge using the following website: www.ogefrem.net and the Certificate of Destination at Mombasa Office.

INFORM:

In order to facilitate clearance of cargos which reached the Port of Mombasa before 17th October 2012 we allow temporarily cargos to exit from the Port of Mombasa using the certificate of Destination to clear goods, without FERI certificate. A grace period of **one month** is granted to avoid congestion and also allocate enough time; This means starting from **26-11-2012** compliance to FERI Certificate from loading Port must apply for all interested parties, before goods reach and exit from the Port of Mombasa without any exemption. However, non compliance to these regulations, shall force us to use all legal means and penalties must be imposed.

For any further inquiries kindly contact us using our addresses below on this page.

We appreciate your continued good cooperation.

Yours Sincerely,

Berthe MORISHO M.
DRC Commercial Attaché
& OGEFREM/ Representative
